SUBJECT	RESOLUTION PROPOSAL PASSED – MANAGING OF VENUES

Dear **ALL CLUBS**

As approved at last week's Special General meeting (24th May 2017), clubs have passed a resolution for the season below.

RESOLUTION

- The leagues continue as per normal
 - In the event of a match not being played due to unavailability of fields, The Fixtures Director to be informed timeously and a postponement is granted
 - The office to notify the opposition
- Postponed matches will be rescheduled, however, in the event that the season's fixtures cannot be completed and the matches do not affect Promotion /Relegation a 1-1 draw result will be recorded
- Matches where Promotion /Relegation are an issue are to be completed.

WHO DOES THIS PROPOSAL AFFECT

- All Teams

FURTHER NOTES

- Current situation to be continued, with clubs seeking to complete matches as they can, and seek alternative venues if their fields are unplayable
- The list of postponed matches will grow, and towards end of the season if clubs cannot make up these matches, only the once potentially affected by promotion or relegation will a plan be made to matches to take place, the rest is drawn
- This potentially reduces matches to be played for the season
- Point must be made that the rescheduling of these postponed matches will be subject to Fixtures Director prerogative, and that preferences will be given to the senior leagues (there are 43 different divisions, and not practicable to expect that each division must be managed with promotion/relegation permutations at year end)

Clubs to please note that this will only be in effect for the current 2017 season, but based on current situations will be reviewed at the next AGM.

Yours in Football,

Charlton Jansen (Fixtures Director)
